MEMBERSHIP FOR PERSONS ON LOW AND MODEST INCOMES

Penrith Golf Club, as a registered Community Amateur Sports Club, now offers a new category of membership at a reduced rate. This rate is available without discrimination, to persons (new and existing) who can reasonably demonstrate that they cannot afford full membership. They will be entitled to join the Club and participate fully at a cost of less than £520 a year.

Any person who feels they cannot afford full membership should apply in person or in writing to the Club Secretary, providing information and any supporting documents that will demonstrate that they are unable to pay the full membership fee. Each application will be considered on its merits. Further information or supporting documents may be required as part of the application process and may be subject to independent verification before receiving approval.

The Club gives assurance that our procedures in this matter will be discreet and confidential throughout the application process. All members under this category of membership will enjoy identical voting rights and privileges to our other standard categories of membership.
